10. Official Checkpoint.

There shall be only one official point for check out in the morning and check-in in the afternoon. This point shall be designated at the regular club meeting prior to the tournament.

11. Scoring.

Tournament winners shall be determined by the total pound weight (measured in lbs – 1.00 lbs) of the team’s catch during the day of the tournament. Only largemouth, spotted red-eye or small-mouth bass will be weighed. The catch limit per competitor shall be five (5) or less if specified for a given tournament of the above species and varieties per day. Tournament officials will conduct checks for violation of this provision. If a team has in its possession more fish than the given limit, then working in order of largest to smallest a fish will be culled until the legal limit is met. The official length for bass shall be twelve (12) inches or the legal lake limit. THE OFFICIAL MEASURING DEVICE SHALL BE A FLAT-BOARD (GOLDEN RULE TYPE). Tournament officials will only verify the length of fish presented for weigh-in. Bass presented for weigh-in which fail to measure twelve (12) inches or legal lake limit shall accrue penalties at the rate of one pound for each such bass. This penalty shall be deducted from the total score of the competitor. Any bass that appears to have been mangled, mashed, mauled, or otherwise altered will be weighed and credited at the discretion of the tournament officials. Each competitor must present his catch to the weigh-in official.

The dead bass penalty will also be applicable to any Lunker fish that are dead when presented to the weigh-in officials.

Competitor(s) who are not at the official check-in point at the appointed time shall be penalized at the rate of one pound per minute. The penalized weight will be deducted from the total weight of the competitor’s catch, including any weight to be counted toward a “Lunker Award.” Any competitor(s) more than fifteen minutes late will lose all credit for that day’s catch. There shall be no excuse for tardiness and in no case shall a competitor be allowed to make up LOST TIME. All fishing must cease upon check-in. The starting and check-in times will be established at the meeting prior to the tournament.
